

JULIE SOLOMON, PH.D.
Senior Program Evaluation and Research Consultant
Tel. 408-315-4695, julie@jsolomonconsulting.com

Summary

- Sixteen years of experience conducting evaluation studies and R&D projects in a variety of health and social issue areas, particularly youth sexual and reproductive health, maternal and child health, and health care workforce development
- Extensive experience working with grantmakers, non-governmental organizations, and local government agencies as a consultant, technical assistance provider, and trainer to develop evaluation-related infrastructure (e.g., logic models, indicators, tools, systems) and staff skills
- Expertise in a variety of quantitative and qualitative evaluation methods, including desk reviews, surveys, focus groups, interviews, medical chart reviews, and participatory methods
- Strong project experience in the U.S. and internationally, with a particular focus on Latin America

Education

- | | |
|------|---|
| 1999 | Ph.D., Linguistics, Stanford University, Stanford, CA |
| 1994 | A.M., Linguistics, Stanford University, Stanford, CA |
| 1990 | B.A., <i>summa cum laude</i> , Linguistic Anthropology and Spanish Literature, with a minor in Latin American Studies, Brandeis University, Waltham, MA |
| 1989 | Study Abroad, University of Seville, Seville, Spain |

Employment and Other Professional Activities

Employment

- | | |
|--------------|---|
| 2008-present | Member and Principal, J. Solomon Consulting, LLC, Mountain View, CA |
| 2002-2007 | Senior Research Associate & Director of Training Support, Sociometrics Corporation, Los Altos, CA |
| 1999-2002 | Research Associate, Sociometrics Corporation, Los Altos, CA |
| 1997-1998 | Bilingual (Spanish-English) Data Collector and Tracker, ETR Associates, Scotts Valley, CA |
| 1997-1998 | Bilingual (Spanish-English) Data Collector, Palo Alto Medical Foundation Research Institute, Palo Alto, CA |
| 1996-1999 | Teaching Assistant and Teaching Affiliate, Linguistics Department, Department of Spanish & Portuguese, and School of Education, Stanford University, Stanford, CA |

Professional Volunteer Activities

- | | |
|--------------|--|
| 2015-present | Member, Maternal, Child, and Adolescent Health Community Advisory Board, Santa Clara County, CA |
| 2015-present | Member, American Evaluation Association Independent Consultant Topical Interest Group Goal 6 Committee |
| 2014-present | Community Volunteer, Adolescent Pregnancy Prevention Network, Santa Clara County, CA |
| 2006-present | Member, Board of Directors, Human Agenda, San Jose, CA |
| 2012-2014 | Volunteer, Behavioral and Social Science Volunteer (BSSV) Program, American Psychological Association Office on AIDS |
| 2008-2014 | Community Member, Coalition for Alcohol and Drug Free Pregnancies, San Jose, CA |
| 2012-2013 | Advisor to Program Fellow, Global Health Corps, New York, NY |

Evaluation Studies, Research Projects, and R&D Projects

Sexual and Reproductive Health and HIV

- 2015 HIV/AIDS Prevention Program Replication and Adaptation Online (HAPPRA), Phase II (National Institute of Mental Health via Sociometrics Corporation, Los Altos, CA)
- Developed online training modules to facilitate successful replication of evidence-based HIV prevention programs
 - Role: Module Content Developer
- 2015 Data Archive on Adolescent Pregnancy and Pregnancy Prevention and Packaging and Disseminating Evidence Based Program Models Through the Program Archive of Sexuality, Health and Adolescence (PASHA) (National Institute of Child Health and Human Development via Sociometrics Corporation, Los Altos, CA)
- Preparing briefing documents on candidate programs and datasets, overseeing the Scientist Expert Panel's selection process; negotiating and dataset acquisition
 - Role: Co-Investigator
- 2011-2012 External Evaluation of the GOJoven Program in Mexico and Central America (The Summit Foundation, Washington, DC)
- Conducted a retrospective evaluation of Phases I-III of the GOJoven: Youth Leadership in Sexual and Reproductive Health Program in Belize, Guatemala, Honduras, and Quintana Roo, Mexico; employed quantitative, qualitative, and participatory methods
 - Role: Project Director
- 2007-2008 HIV/AIDS Prevention Practitioner Institute, Phase II (National Institute of Allergy and Infectious Diseases)
- Participated in development of multimodal program planning and evaluation training for HIV prevention professionals
 - Role: Course Co-Author
- 2007 HIV Prevention Information for Teens Online, Phase I (National Institute of Mental Health via Sociometrics Corporation, Los Altos, CA)
- Conducted needs and assets assessment focus groups in English and Spanish with youth to inform development of a teen sexual health information multimedia website
 - Role: Focus Group Facilitator
- 2006-2007 HIV/AIDS Prevention Program Archive Update/Augmentation, Phase I (National Institute of Allergy and Infectious Diseases)
- Directed development of replication kits and an adaptation toolkit and other updates to an archive of empirically-validated, adult-focused HIV prevention programs
 - Role: Project Director
- 2005-2007 Computer-Based HIV Prevention Interventions for African-American Women, Phase I (National Institute of Mental Health)
- Developed and evaluated a computer-based version of an in-person, small-group evidence-based HIV prevention intervention for African-American women
 - Role: Co-Project Director
- 2004-2007 Promoting Culturally Competent HIV/AIDS Prevention, Phase II (National Institute of Allergy and Infectious Diseases)
- Developed and evaluated web-based cultural competence tools for HIV prevention practitioners
 - Role: Project Director

- 2004-2005 HIV/AIDS Prevention Practitioner Institute, Phase I (National Institute of Allergy and Infectious Diseases)
- Directed development and testing of a multimodal program planning and evaluation training program for HIV/AIDS professionals
 - Role: Project Director
- 2003 Program Archive on Adolescent Sexuality, Health & Adolescence (PASHA) Online Selection Tool (Advocates for Youth, Washington, DC)
- Developed an online selection tool for evidence-based teen pregnancy and STI/HIV prevention programs
 - Role: Project Director
- 1999-2003 Implementation, Evaluation, and Sustainability of a County-Wide Adolescent Pregnancy Program (David & Lucile Packard Foundation, Los Altos, CA)
- Evaluated a multicomponent, countywide teen pregnancy prevention initiative involving a large coalition of public and private sector organizations in Santa Clara County, California
 - Role: Project Director
- 2001-2002 Institute for Program Development and Evaluation, Phase II Supplement (National Institute on Child Health and Human Development)
- Directed development and testing of instructional materials on program adaptation and cultural competence for teen pregnancy and STI/HIV prevention practitioners
 - Role: Project Director
- 1999-2002 Institute for Program Development and Evaluation, Phase II (National Institute on Child Health and Human Development)
- Developed materials for program planning and evaluation training for teen pregnancy and STI/HIV prevention practitioners and taught program courses in pilot course implementation
 - Role: Course Author and Instructor

Maternal, Child, and Women's Health

- 2008-2014 Preterm Labor Assessment Toolkit Evaluation (March of Dimes California Chapter, San Francisco, CA)
- Conducted a multisite evaluation of a clinical toolkit addressing identification, assessment, and disposition of pregnant patients presenting at California hospitals with symptoms of preterm labor; methods included medical chart review, hospital policy review, and surveys
 - Role: External Evaluator
- 2011-2013 Enhancing Racial and Ethnic Health Care Equity through Group Prenatal Care (The Aetna® Foundation, Hartford, CT, via March of Dimes Foundation, White Plains, NY)
- Directed a multisite process and outcome evaluation of CenteringPregnancy group prenatal care, with a focus on African-American women, that involved medical chart reviews, focus groups, and surveys, as well as development of a centralized data system for March of Dimes CenteringPregnancy data
 - Role: External Evaluator
- 2010-2012 Evaluation of the "<39 Weeks" Toolkit (March of Dimes California Chapter, San Francisco, CA)
- Used a survey from hospital sites in five U.S. states to evaluate a clinical toolkit that aims to eliminate elective deliveries before 39 weeks gestation
 - Role: External Evaluator
- 2011 Follow-Up Evaluation of Fostering Excellence in Women's Health through Academic-Community Partnerships (The UCSF National Center of Excellence in Women's Health, San Francisco, CA)
- Conducted a qualitative, retrospective follow-up evaluation of a multisite collaborative initiative to improve girls' and women's health; methods included desk review and group interviews
 - Role: External Evaluator

- 2009-2011 Environmental Scan of Current Girl/Adolescent Health Activities for Development of a National Girl-Adolescent Health and Wellness Initiative (U.S. Office on Women's Health, Washington, DC via Berkeley Policy Associates, Oakland, CA)
- Directed literature, program, and policy reviews and conducted focus groups for a nationwide assessment of girl/adolescent health programming
 - Role: Task Director for Environmental Scan & Literature Review; Focus Group Facilitator
- 2006-2011 Evaluation of Healthy Babies are Worth the Wait® (March of Dimes Foundation, White Plains, NY; Johnson & Johnson Corporate Contributions, New Brunswick, NJ)
- Conducted process and outcome evaluation of a multicomponent preterm birth prevention initiative in Kentucky that targeted perinatal providers, pregnant women, and the public; methods included program logs, surveys, interviews, and secondary analysis of birth certificate data
 - Role: External Evaluator
- 2008-2009 CenteringPregnancy Programming Assessment (March of Dimes Foundation, White Plains, NY)
- Conducted a qualitative multi-site assessment of March of Dimes-funded CenteringPregnancy (CP) programs and the national CP landscape, using a desk review, interviews, and site visits; provided recommendations for future March of Dimes funding strategies to support CP
 - Role: Consultant
- 2004-2006 Evaluation of the Johnson & Johnson Pediatric Institute (JJPI) (Johnson & Johnson Pediatric Institute, LLC, New Brunswick, NJ)
- Conducted evaluation of multiple JJPI-funded maternal and child health programs and perceptions of JJPI by diverse stakeholders
 - Role: External Evaluator

Health Care and Health Care Workforce Development

- 2008-2018 Evaluation of Bridge to Employment (FHI 360, Washington, DC / Johnson & Johnson Corporate Contributions, New Brunswick, NJ)
- Conducting outcome evaluation of a multi-site, multi-partner, school-based workforce development program with a health/science career focus: San Lorenzo, Puerto Rico: 2015-2018; San Diego, California: 2015-2018; Manatí and Gurabo, Puerto Rico: 2014-2017; Panama City, Panama: 2012-2015; Newark, California: 2012-2015; Bogotá, Colombia: 2008-2012
 - Role: External Evaluator
- 2013-2017 Evaluation of the Linkage Lab (The SCAN Foundation, Long Beach, CA)
- Conducting outcome evaluation of a program that trains leadership and management teams from California CBOs (that provide long-term services and supports to the elderly and disabled) on business transformation, to prepare them for successful contracting with health care organizations; methods include surveys, group interviews, desk review, and secondary analysis of technical assistance provider data
 - Role: External Evaluator
- 2014-2016 Evaluation of the Geriatric Nurse Leadership Academy (GNLA) and the Nurse Faculty Leadership Academy (NFLA) (Sigma Theta Tau International Honor Society of Nursing, Indianapolis, IN)
- Conducting outcome evaluation of two leadership development programs for nurses, using surveys and document review
 - Role: External Evaluator

- 2008-2016 Evaluation of the North American Maternal-Child Health Nurse Leadership Academy (Johnson & Johnson Corporate Contributions, New Brunswick, NJ)
- Conducting outcome evaluation of a leadership development program for maternal-child bedside nurses, using surveys and document review
 - Role: External Evaluator
- 2015 Case Studies of Linkage Lab Cohort 1 (The SCAN Foundation, Long Beach, CA)
- In collaboration with another consultant, produced case studies of the key objectives and strategies, successes, challenges, and lessons learned from Linkage Lab's first cohort of CBOs
 - Role: Case Study Developer
- 2014-2015 Outcome Study of the CarePayment Program (W.K. Kellogg Foundation, Battle Creek, MI via Arcadia University, Glenside, PA)
- Evaluated a health care payment financing program for hospital patients, using a national phone survey of hospital bill guarantors and interviews with hospital staff
 - Role: Co-Investigator
- 2010-2014 Evaluation of the Makerere University, Uganda/Yale University (MUUYU) Global Exchange Program (Yale University School of Medicine, New Haven, CT)
- Collaborated on instrument development, data analysis, and findings synthesis for the retrospective outcome evaluation of a U.S./Uganda global exchange program for medical school residents and faculty
 - Role: Evaluation Consultant
- 2013 Evaluation of the South Africa Maternal-Child Health Nurse Leadership Academy Pilot (Sigma Theta Tau International Honor Society of Nursing, Indianapolis, IN)
- Conducted quantitative and qualitative data analysis and synthesized findings to evaluate a pilot leadership development program for maternal-child health nurses
 - Role: External Evaluator
- 2004-2007 Evaluation of the Johnson & Johnson School Nurse Fellowship Program (Johnson & Johnson Corporate Contributions, New Brunswick, NJ)
- Conducted outcome evaluation of a leadership training and substance use prevention education for K-12 school nurses, using surveys
 - Role: External Evaluator
- 2005-2006 Communication Disorders Teaching Modules & Data Archive, Phase I (National Institute on Deafness and Other Communication Disorders)
- Developed and tested a computer-based training module for clinicians and clinicians-in-training addressing social and psychological aspects of communication disorders and communication with patients with these conditions
 - Role: Principal Investigator

Other Evaluation Studies

- 2013 Evaluation of GLOT55 (United Nations Office on Drugs and Crime, Vienna, Austria)
- Conducted retrospective outcome evaluation (addressing relevance, effectiveness, efficiency, sustainability and impact) of UNODC's support for selected Latin American Member States in preventing and combating human trafficking and migrant smuggling; performed desk review, interviews, and a site visit to Colombia
 - Role: External Evaluation Consultant for GLOT55 in Latin America

- 2008-2011 Evaluation of the Community Genetics Education Network (U.S. Health Resources and Services Administration; the March of Dimes Foundation, White Plains, NY)
- Guided and provided technical assistance to the evaluation of a multisite genetics education program planning, implementation, evaluation, and dissemination project focused on ethnic/racial minority communities
 - Role: National Evaluation Team Member
- 2008-2010 External Evaluation of California Forward (The California Endowment, Los Angeles, CA; Evelyn and Walter Haas, Jr. Fund, San Francisco, CA; The William and Flora Hewlett Foundation, Menlo Park, CA; The James Irvine Foundation, San Francisco, CA; David and Lucile Packard Foundation, Los Altos, CA; via Berkeley Policy Associates, Oakland, CA)
- Consulted on evaluation of a bipartisan initiative to improve governance in California
 - Role: Evaluation Consultant

Program Planning and Evaluation Infrastructure Consultation

For Grantmakers

- 2002-2003 & 2007-2016 Evaluation Infrastructure Consultation (Johnson & Johnson Corporate Contributions, New Brunswick, NJ)
- Consulting on evaluation infrastructure assessment and logic model, indicator, and reporting system development for maternal and child health, disease prevention, and health care workforce development programs in domestic and developing country contexts
- 2014-2015 M&E Technical Consultation (Seattle International Foundation, Seattle, WA)
- Developed grantmaking and evaluation frameworks for the Central America and Mexico Youth (CAMY) Fund, which provides grants to NGOs addressing adolescent/youth sexual and reproductive health and rights, girls' education, and early unions/marriages among girls in Belize, Guatemala, Honduras, and Quintana Roo, Mexico
- 2013 RFP for Early Mathematics Network (Heising-Simons Foundation, Los Altos, CA)
- Consulted on development of an RFP for a research network that would carry out and disseminate innovative research on mathematics development among young children (ages 0-8)
- 2012-2013 Consultation for Health Sector MDI Social Metrics (W.K. Kellogg Foundation, Battle Creek, MI)
- Developed metrics and an evaluation research design for the Foundation's mission-driven investment (MDI) in health care payment financing
- 2010 Evaluation Framework and Plan Development (MTV Staying Alive Foundation, London, England)
- Developed an evaluation framework, indicators, implementation plan, and tools; provided training to grantmaking staff for evaluation system roll-out with grantee NGOs fighting the spread of HIV/AIDS
- 2008-2009 Evaluation Infrastructure Consultation (EMpower, New York NY)
- Developed an evaluation framework, indicators, tools, and guide; provided technical assistance to grantmaking staff for evaluation system roll-out with grantee NGOs working in youth health, education, leadership, and enterprise in emerging market countries
- 2007-2008 Evaluation Infrastructure Planning Services (Global Fund for Children, Washington DC)
- Developed an evaluation framework, plan, and tools; provided associated training to grantmaking staff for evaluation system roll-out with grassroots NGOs working in youth health, education, safety, and livelihoods worldwide
- 2003-2005 Evaluation Consultation (David & Lucile Packard Foundation, Los Altos, CA)
- Facilitated logic model and/or evaluation indicator development with the following Foundation programs: Conservation & Science; Children, Families, & Communities; Population; Arts; and Program Services

For Governmental and Multilateral Organizations

- 2015 Monitoring, Evaluation, and Learning (MEL) Strategy (Organization for Security and Cooperation in Europe [OSCE], Vienna, Austria)
- Developing an MEL Strategy for the Independent Evaluation Function of OSCE's Office of Internal Oversight
- 2007-2015 Research Review Board (California Healthy Kids Resource Center, Hayward, CA)
- On an annual basis, serve as a Research Review Board member to review and assess published evaluation studies annually to inform selection of research-validated youth violence and substance use prevention programs for use in California schools
- 2013-2014 Maternal, Child, and Adolescent Health Integration Planning Project (Santa Clara County Public Health Department, San Jose, CA)
- Facilitated assessment of countywide maternal, child, and adolescent health-related indicators and Public Health Department programming to inform development of an intra-departmental program/service integration and evaluation plan
- 2012-2014 Strategic Planning and Evaluation Planning with the Adolescent Pregnancy Prevention Network (Santa Clara County Public Health Department, San Jose, CA)
- Facilitated needs and assets assessment, strategic planning, and evaluation planning with a coalition of governmental and non-governmental organizations addressing adolescent sexual and reproductive health and positive youth development in Santa Clara County, California
- 2006-2008 Coalition for Alcohol and Drug Free Pregnancies (Santa Clara County Department of Alcohol and Drug Services, San Jose, CA)
- Facilitated logic modeling and consulted on needs and assets assessment and evaluation tool development; provided input to data interpretation, synthesis, and reporting
- 2006 Fidelity Guidelines and Checklists for Safe and Drug-Free Schools and Tobacco-Use Education Programs (California Healthy Kids Resource Center, Hayward, CA)
- Conducted literature review on school-based violence and substance use prevention programs and developed program fidelity guidelines and checklists for process evaluation in California K-12 schools
- 2005 Youth Sexual Risk Behavior Prevention Program Planning and Evaluation Website (Wisconsin Department of Public Instruction, Madison, WI)
- Developed a resource website with tools and links on program planning and evaluation for adolescent sexual and reproductive health education and service providers
- 1999-2004 Violence Prevention Information Library (Santa Clara County Public Health Department, San Jose, CA)
- Conducted needs and assets assessment and provided recommendations for a County data system focused on intimate partner, youth, firearm, and alcohol-related violence

For NGOs and Other Entities

- 2015 GOJoven NGOs in Mexico and Central America (The Summit Foundation, Washington, DC)
- Providing evaluation training and technical assistance to four incipient NGOs working in adolescent/youth sexual reproductive health and rights in Belize, Guatemala, Honduras, and Quintana Roo, Mexico
- 2015 NGO grantees of the Central America and Mexico Youth (CAMY) Fund (Seattle International Foundation, Seattle, WA)
- Providing evaluation training and technical assistance to NGOs addressing adolescent/youth sexual and reproductive health and rights, girls' education, and early unions/marriages among girls in Belize, Guatemala, Honduras, and Quintana Roo, Mexico

- 2015 Task Force for Youth Family Planning and Reproductive Health (New Venture Fund, Washington, DC)
- Developed theory of change diagram and contributed to funding proposals for development of a university-based task force to address youth family planning and reproductive health in developing country contexts
- 2014-2015 Marine Birds Conservation Landscape & Capacity Assessment in Chiloé Island, Chile (David and Lucile Packard Foundation via Austral University of Chile, Valdivia, Chile)
- Consulted on qualitative analysis procedures, survey design, and survey analysis for a needs and assets assessment study pertaining to marine bird conservation
- 2012-2015 GOJoven Program in Mexico and Central America (Public Health Institute, Oakland, CA)
- Facilitated evaluation planning and provided evaluation technical assistance and capacity-building for Phase IV of the GOJoven: Youth Leadership in Sexual and Reproductive Health Program in Belize, Guatemala, Honduras, and Quintana Roo, Mexico
- 2014 Teen Talk Sexuality Education, Middle School (Health Connected, Redwood City, CA)
- Facilitated logic model revision, indicator development, and revision of pre- and post-test surveys for a middle school sexuality education curriculum
- 2013-2014 Promotion of Youth-Friendly Clinic Services in Quintana Roo, Mexico and Petén, Guatemala (Public Health Institute, Oakland, CA)
- Provided evaluation technical assistance to two NGOs promoting youth-friendly, clinic-based sexual and reproductive health services
- 2012-2013 Nurse Leadership Academies (Sigma Theta Tau International Honor Society of Nursing, Indianapolis, IN)
- Consulted on alignment of indicators and instruments across four leadership development programs for nurses
- 2007-2011 Late Preterm Infant Evidence Based Guideline Research Based Practice Project of the Association of Women's Health, Obstetric and Neonatal Nurses (AWHONN) (Johnson & Johnson Pediatric Institute, LLC, New Brunswick, NJ)
- As a Science Team Member, provided input to development and evaluation of evidence-based guideline for late preterm infant care
- 2009 La Cocina (San Francisco, CA)
- Facilitated logic modeling and evaluation infrastructure assessment and development with a non-profit incubator kitchen serving low income entrepreneurs, particularly women and immigrants
- 2006 Evaluation Consultation for the Navigator Program (Project Response, Inc., Melbourne, FL)
- Provided evaluation consultation for HIV/AIDS-related services targeting Haitian immigrants
- 2005 Youth Sexual Risk Behavior Prevention Program Planning and Evaluation Website (Wisconsin Department of Public Instruction, Madison, WI)
- Developed a resource website with tools and links on program planning and evaluation for adolescent sexual and reproductive health education and service providers
- 2005 Strategic Planning for Youth and Adult Sexual and Reproductive Health Programs (Planned Parenthood Wisconsin, Milwaukee, WI)
- Collaborated with Planned Parenthood staff to develop logic models for their youth and adult sexual and reproductive health programs to showcase strategies and outcomes for local stakeholders and funders

Program Planning and Evaluation Training Workshops

In English

- 2015 “Opening the Evaluator’s Toolkit: an Introduction to Logic Models”; in-person session for the Institute for Corporate Social Responsibility, Washington Regional Association of Grantmakers, Washington, DC
- 2015 “Logic Models & Evaluation Plans: The Basics”; in-person session co-presented with Michael Bzdak and Laura Hollod for Janssen Global Public Health (GPH) Social Intrapreneurship Program (SIP), New York, NY
- 2015 “Introduction to Logic Modeling”; webinar for staff of Prerana, Mumbai, India
- 2013, 2015 In-person session for The Scan Foundation Linkage Lab:
- “Logic Modeling” (San Jose, CA 2015)
 - “Monitoring and Evaluation”, co-presented with Michelle Ko (San Jose, CA, 2015)
 - “Program Monitoring and Evaluation” (San Diego, CA 2013)
- 2014 “Introduction to Logic Modeling”; webinar co-presented with Aviva Altmann for staff of Arts and Global Health Center Africa, Zomba, Malawi
- 2009-2010 & 2012-2013 “Project Monitoring and Evaluation”; in-person session for the UCLA/Johnson & Johnson Health Care Executive Program, Anderson School of Management, University of California, Los Angeles, CA
- 2012 “BTE Evaluation: A Snapshot”; in-person session co-presented with Michael Bzdak and Lisa Johnson for the Bridge to Employment Alliance Building and Training Session, Johnson & Johnson Corporate Contributions, New Brunswick, NJ
- 2012 “Logic Modeling and Evaluation”; in-person session for Global Health Corps Fellow Training and Orientation, Yale University, New Haven, CT
- 2011 “Using Evaluation for Continuous Improvement”; in-person workshop co-presented with R. Jagannathan at the Bridge to Employment Alliance Building and Training Session at FHI360, Washington, DC
- 2009-2010 In-person sessions for the UCLA/Johnson & Johnson Advanced Management Institute, Anderson School of Management, University of California, Los Angeles, CA
- “Logic Modeling” (2010)
 - “Logic Modeling and Project Evaluation” (2009)
- 2009-2010 “Overview: Logic Modeling”; webinar for the Society for the Arts in Healthcare, Washington, DC
- 2009 “Measuring and Communicating Your Project’s Value”; in-person session for organizational partners in the Johnson & Johnson Corporate Contributions and The UCSF National Center of Excellence in Women’s Health program Fostering Excellence in Women’s Health through Academic-Community Partnerships, San Francisco, CA
- 2006 “Identifying, Selecting, and Implementing Effective Teen Pregnancy Prevention Programs”; in-person workshop co-presented with J.J. Card at the Coming of Age: Supporting Teens & Young Families in the 21st Century Conference, co-sponsored by the Healthy Teen Network and California Alliance Concerned with School Age Parenting and Pregnancy Prevention, Anaheim, CA
- 2005 In-person workshops for adolescent sexual and reproductive health practitioners sponsored by the Michigan Public Health Institute, Okemos, MI
- “Developing a Program Model”
 - “Adapting Programs to Fit Needs & Resources”
- 2005 In-person workshops for Planned Parenthood Wisconsin staff and local stakeholders, Milwaukee, WI
- “Best Practices in Preventing Teen Pregnancy and STI/HIV Infection”
 - “Evaluation of Teen Pregnancy and STI/HIV Prevention Programs”

- 2005 “Evaluating Programs and Measuring Outcomes”; in-person session for Women’s Foundation of California grantee convening, San Francisco, CA
- 2005 “Successfully Replicating a Youth Sexual Risk Behavior Prevention Program”; webinar for the Wisconsin Department of Public Instruction, Madison, WI, and its local stakeholders working in adolescent sexual and reproductive health
- 2000-2005 Courses taught at Sociometrics Corporation’s Institute for Program Development and Evaluation for adolescent sexual and reproductive health practitioners, Palo Alto and Los Altos, CA
- “Looking In: Developing Your Program Model”
 - “Are We Delivering What We Said We Would? Conducting a Process Evaluation”
 - “Are We Making a Difference? Conducting an Outcome/Impact Evaluation”
 - “What Works: Best Practices for Your Community Prevention Efforts”
- 2000-2001 & 2003-2004 “Essentials of Evaluation”; in-person sessions co-presented with J.J. Card in California for the International Family Planning Leadership Program of the Public Health Institute, Santa Cruz, CA; University of California, Berkeley, CA; and University of California, San Francisco, CA
- 2003 “Evaluation Essentials”; in-person session co-presented with J.J. Card for David & Lucile Packard Foundation Board and staff, Los Altos, CA
- 1999-2003 In-person workshops co-presented with J.L. Peterson, D. Melendez, and J. Park for the Adolescent Pregnancy Prevention Network, Santa Clara County, CA
- “Best Practices”
 - “Mini-Grant Technical Support Workshop”
 - “From Objectives to Outcomes: Introduction to Outcome Evaluation”
- 2002 “Program Evaluation”; in-person workshop for the Healthy Start Coalition of Hillsborough County, Inc., Tampa, FL
- 2000 “Using Teen Pregnancy Prevention Curricula Effectively”; in-person workshop co-presented with J. Peterson, J. Shields, and D. Melendez for grantees of the State of California Office of Community Challenge Grants, Sacramento, Ontario, and Fresno, CA

In Spanish

- 2015 Webinar series for GOJoven NGOs and Central America and Mexico Youth (CAMY) Fund Grantees
- “Cómo trabajar con consultores de evaluación”
 - “Introducción a la evaluación”
 - “El diseño de encuestas”
 - “Cómo entender estadísticas nacionales y locales”
 - “Cómo presentar y usar los datos y las conclusiones de evaluaciones”
- 2015 “Introducción a la evaluación”; in-person session for GOJoven Guatemala and Guatemalan grantees of the Central America and Mexico Youth (CAMY) Fund, Antigua, Guatemala
- 2014 “Monitoreo y evaluación de proyectos”; in-person session for the CAMY Fund, Mexico City, Mexico
- 2013 “Evaluación de programas de liderazgo”; in-person session for the Seattle International Foundation and The Summit Foundation Foro 2013: Fortaleciendo Liderazgo Local, Antigua, Guatemala
- 2011 “Planificación estratégica: El modelo del programa BTE”; in-person session for Bridge to Employment Panamá partners, Panama City, Panama
- 2009 “Promoción de la salud: planeando tu proyecto”; in-person workshop for Bridge to Employment Bogotá students, Bogota, Colombia

- 2007 “El modelo del programa”; in-person session for Bridge to Employment Bogotá partners, Bogota, Colombia
- 2002-2003 In-person sessions in California for the Spanish-language International Family Planning Leadership Program of the Public Health Institute, Santa Cruz, CA; University of California, Berkeley, CA; and University of California, San Francisco, CA
- “La evaluación de programas” (2003)
 - “Introducción a la evaluación” (2002)

Conference Presentations

- Page G, Hedirana HL, Bliss MC, Georges M, Kowalewski L, Lombardo V, Mason-Marti P, Goldring T, **Solomon J**, and the Volunteer Hospitals for California March of Dimes Preterm Labor Assessment Toolkit Initiative. (2015). Implementing Standardized Assessment of Preterm Labor as a Hospital Quality Improvement Project. Poster presentation at the 2015 Prematurity Prevention Conference: Quality Improvement, Evidence and Practice, Crystal City, Virginia.
- Bodnar BE, Claassen C, **Solomon J**, Mayanja-Kizza H, Rastegar A. (2014). The effect of a bidirectional exchange on faculty development in a global health collaboration. Oral presentation at the Fifth Annual Consortium of Universities for Global Health (CUGH) Conference, Washington, DC.
- Riggs E, Rising SS, **Solomon J**. (2013). Enhancing racial and ethnic health care equity through group prenatal care. Oral presentation at the 2013 Association of Maternal & Child Health Programs (AMCHP) Annual Conference, Washington, DC.
- Riggs E, **Solomon J**, Matlock-Mahoney S, Berman J, Ashton DM, Gooding J, Schindler Rising S, Berns S. (2012). Engaging African American women in group prenatal care. Poster presentation at the 140th Meeting of the American Public Health Association (APHA), San Francisco.
- Solomon J**, Berman J, Bard K, Goldring T, Smith G, Colorado A, Tahrir E. (2012). Outcome evaluation of Latin American Youth Leadership in Sexual and Reproductive Health Program. Poster presentation at the 140th Meeting of the American Public Health Association (APHA), San Francisco.
- Mason-Marti P, Bliss MC, Edelman D, Georges M, Hedriana H, Kowalewski L Lombardo VL, Page G, Poschman K, **Solomon J**. (2012). Implementing standardized assessment of preterm labor as a hospital quality improvement project. Oral presentation at the 140th Meeting of the American Public Health Association (APHA), San Francisco.
- Hedriana H, Bliss MC, Edelman D, Georges M, Kowalewski L, Lombardo VL, Mason-Marti P, Page G, Poschman K, & **Solomon J**, and the Volunteer Hospitals for California March of Dimes Preterm Labor Assessment Toolkit Initiative. (2012). Is she or isn't she in preterm labor: Implementing standardized assessment. Poster presented at the March of Dimes 2012 Prematurity Prevention Symposium, Washington, DC.
- Lombardo VL, Bliss MC, Edelman D, Georges M, Hedriana H, Kowalewski L, Mason-Marti P, Page G, Poschman K, **Solomon J**, and the Volunteer Hospitals for California March of Dimes Preterm Labor Assessment Toolkit Initiative. (2011). Is she or isn't she in preterm labor: Implementing standardized assessment. Poster presentation at the Association of Women's Health, Obstetric and Neonatal Nurses (AWHONN) Annual Convention, Denver, CO.
- Ashton D, Damus K, Dias T, **Solomon J**, Bettegowda V, Marini J, Jewell TD, & Shepherd RA. (2010). Results and lessons learned from the *Healthy Babies are Worth the Wait Initiative*. Oral presentation at the 16th Annual Maternal and Child Health Epidemiology Conference (MCH Epi), San Antonio, TX.
- Langston LT, Preston A, Shepherd RA, **Solomon J**, & Thompson K. (2010). Health Babies are Worth the Wait. Panel discussion at the Summit on Prematurity, Louisville, KY.
- Ashton DM, Damus K, **Solomon J**, Sawhney MS, Marini J, Shepherd RA, Thompson K, Mandel K. (2010). Preventing late preterm birth: Health education strategies, activities and impact. Oral presentation at the 138th Meeting of the APHA, Denver, CO.
- Damus K, Dias T, Jewell TD, **Solomon J**, Ashton DM, Marini J, & Shepherd RA. (2010). Epidemiological analyses of perinatal outcome data from *Healthy Babies are Worth the Wait*. Poster presentation at the 138th Meeting of the APHA, Denver, CO.
- Gross D, **Solomon J**, Ashton DM, Giachello AL, Kyler P, & Umemoto A. (2010). Empowering underserved communities to reduce health risks through the development of community-based genetics education programs. Poster presentation at the 138th Meeting of the APHA, Denver, CO.
- Thompson K, Marini J, Mandel K, Ashton DM, Damus K, Shepherd RA, & **Solomon J**. (2010). Collaborative leadership strategies to implement and evaluate a preterm prevention program. Oral presentation at the 138th Meeting of the APHA, Denver, CO.
- Hedriana HL, Bliss MC, Georges M, Kowalewski L, Lombardo V, Mason-Marti P, Page G, Poschman K, **Solomon J**, and the Volunteer Hospitals for California March of Dimes Preterm Labor Assessment Toolkit Initiative. (2010). A triage assessment of patients with preterm labor signs and symptoms in California: Report of current hospital practices. Oral presentation at the annual meeting of the Pacific Coast Obstetric and Gynecology Society, Kohala Coast, Hawaii.
- Ashton D, Damus K, Mandel K, Marini J, Shepherd RA, **Solomon J**, & Thompson K. (2010). Results and lessons learned from *Healthy Babies are Worth the Wait*. Poster presentation at the 20th Anniversary CityMatCH Urban Maternal and Child Health Leadership Conference, Chicago, IL.
- Solomon J**. (2010). Update: *Healthy Babies are Worth the Wait®*. Oral presentation at the Kentucky Perinatal Association 21st Annual Educational Conference, Jamestown, KY.

- Gross D, **Solomon J**, Ashton D, Giachello A, Kyler P, & Umemoto A. (2009). A multi-site model for development, implementation, and evaluation of community-based genetics education programs. Poster presentation at the 60th Annual Meeting of the Society for Public Health Education (SOPHE), Philadelphia, PA.
- Mason-Marti P, Georges M, Kowalewski L, Lombardo V, Poschman K, **Solomon J**, & Edelman D. (2009). Evaluating the effectiveness of a Preterm Labor Assessment Toolkit model in improving maternal/neonatal outcomes in California. Oral presentation at the 137th Meeting of the APHA, Philadelphia, PA.
- Solomon J**. (2009). Preliminary Findings for *Healthy Babies are Worth the Wait*. Oral presentation at the 137th Meeting of the APHA, Philadelphia, PA.
- Solomon J**, Gross D, Arrom JO, Eddings S, Manswell Butty J, Sanchez J, Sim S, Giachello A, Ashton DM, Kyler P. (2009). Outcome evaluation of genetics education interventions developed using community-based participatory approaches: Challenges and lessons learned. Oral presentation at the 137th Meeting of the APHA, Philadelphia, PA.
- Burney FLM, Damus K, **Solomon J**, Langston L, Sparks J, Jennings N, & Ashton DM. (2008). Pregnant patients and perinatal providers: Are we on the same page regarding preterm birth? Poster presentation at the 136th Annual Meeting of the APHA, San Diego, CA.
- Giachello AL, Arrom JO, Ashton DM, Gross D, Rodriguez ES, **Solomon J**, Kyler P, & Umemoto A. (2008). Consumer Genetics Education Network (CGEN): Lessons learned in the participatory development of culturally appropriate interventions. Oral presentation at the 136th Annual Meeting of the APHA, San Diego, CA.
- Lessard L, **Solomon J**. (2008). Including persons with hearing loss in HIV/AIDS research and practice. Roundtable presentation at the 136th Annual Meeting of the APHA, San Diego, CA.
- Wingood GM, DiClemente RJ, Card JJ, Er D, **Solomon J**, & Lang D. (2008). Efficacy of a multimedia computer-based HIV intervention for enhancing consistent condom use among African-American women: Results of a feasibility trial. Oral presentation at the 136th Annual Meeting of the APHA, San Diego, CA.
- Burney M, Damus K, Liberatos P, **Solomon J**, Giammarino M, Green N, & Petrauskas B. (2007). Do pregnant women in Kentucky think “Healthy Babies are Worth the Wait”? Oral presentation at the 135th Annual Meeting of the APHA, Washington, DC.
- Card JJ, **Solomon J**. (2007). Maximizing the potential of computer-mediated HIV prevention interventions. Roundtable presentation at the 2007 National HIV Prevention Conference, Atlanta, CA.
- Solomon J**. (2006). Fidelity and adaptation challenges in replication and going to scale. Oral presentation at the National Institutes of Health (NIH) Conference on Understanding & Reducing Health Disparities: Contributions from the Behavioral and Social Sciences, Bethesda, MD.
- Solomon J**. (2004). Characteristics of effective sexual risk behavior prevention programs. Keynote presentation at the Wisconsin Department of Public Instruction’s Adolescent Sexual Risk Behavior Prevention Institute, Alverno College, Milwaukee, WI.
- Solomon J**. (2004). Selecting, adapting, and replicating effective programs. Keynote presentation at the Wisconsin Department of Public Instruction’s Adolescent Sexual Risk Behavior Prevention Institute, Alverno College, Milwaukee, WI.
- Melendez D, **Solomon J**, Peterson J, Su J. (2003). Community collaboration in adolescent pregnancy prevention: lessons from the field. Oral presentation at the 131st Annual Meeting of the APHA, San Francisco.
- Luong N, **Solomon J**, Rahman M, Olivas G, Reedy A, Golz S, Wilkinson S. (2002). Innovative approach to combine technology and epidemiology in developing a countywide Violence Prevention Information Library (VPIL). Oral presentation at the 130th Annual Meeting of the APHA, Philadelphia, PA.

Languages

- Native oral and written English skills
- Near-native oral and written Spanish skills
- Good reading skills and basic speaking skills in French and Portuguese
- Basic speaking skills in Italian and Yucatec Maya

Software

- Microsoft Office (Word, Excel, PowerPoint)
- SPSS (quantitative data analysis)
- NVivo, Dedoose (qualitative data analysis)
- WebEx, GoToMeeting (online meeting and webinar platforms)

Professional Organization Memberships

- American Evaluation Association (AEA)
- American Public Health Association (APHA)
- Independent Consultants for a Better World (ICBW)
